

UNDERWATER PROJECTS ±AN OVERVIEW

Uwe Aschemeier is a German born and educated Welding Engineer who has evolved through the metals industry by studying mechanical engineering and welding engineering at various advanced education institutions in Germany.

Mr. Aschemeier worked for the German Welding Society at its Institute in Munich for several years prior to moving to the United States of America. Once in the United States, Mr. Aschemeier continued his expertise development by working for the Chicago Manufacturing Center, a non-profit consulting organization as well as Charcas Engineering/Domson Engineering in Toronto, Canada. In 2000 he joined H.C. Nutting Company in Cincinnati, where he worked as a senior welding engineer, commercial diver, and consultant. After consulting for Miami Diver for several years in welding related topics, he joined Miami Diver LLC. (now Subsea Global Solutions) as their senior welding engineer and commercial diver.

Mr. Aschemeier serves on several AWS Standard committees and task groups in several senior positions. He has authored and co-authored several welding and NDE UHODWHG DUWLFOHV SXEOLVKHG LQ WKH ³: HOG LQ J national and international trade magazines.

As District Director for the AWS District 7 he also serves on the AWS Board of Directors.
